

Erasmus Student Network (ESN) Comenius University is part of one of the biggest interdisciplinary student associations in Europe, founded in 1989 for supporting and developing student exchange. We are present in 318 Higher Education Institutions from 32 countries. The network is constantly developing and expanding.

ESN works for the creation of a **more mobile and flexible education environment** by supporting and developing the student exchange from different levels, and providing an intercultural experience also to those students who cannot access a period abroad ("**internationalisation at home**"). Our goals:

- works in the **interest of international students**.
- works to improve the **social and practical integration** of international students.
- represents the **needs and rights** of international students on the local level
- **provides relevant information** about mobility programs.
- **motivates** students to study abroad.
- works with the **reintegration** of homecoming students.
- contributes to the **improvement and accessibility of student mobility**.
- **cares** about its members.
